### PROJECT

# „Integration, Volunteerism and Adult Learning, through an Intercultural Pathway“

September 2008 – July 2010

## Objectives

- To develop skills for integration in different cultures
- To transfer and learn different methodologies in adult education
- To increase the quality of training in non-formal adults education
- To understand and quantify the impact that volunteering has on traditionally socially excluded groups
- To encourage volunteerism
- To facilitate the achievement of intercultural skills to handle with diversity and exclusion
- To build strong intercultural relationships between partner countries and groups
- To give the participants a pathway to accept cultural specifics of each partner's country and involve this special elements to international framework
- To encourage people to participate in Lifelong Learning
